

Emergency Housing Message

Owners and Management Companies:

Severe and potentially dangerous weather conditions are expected to hit the southeastern coastline over the next few days. It is our hope that you, our residents, and your family will be safe during this time.

In preparation for Hurricane Florence, we are sending this interim blast.

1. Please make sure that occupancy for all properties has been updated in Mitas. Georgia may receive victims of Florence that are in need of temporary housing.
2. Please be sure your property information is current on Georgia Housing Search, www.georgiahousingsearch.org. This website serves as a resource for those in need of permanent and temporary housing.
3. If your property has an inspection scheduled within the next few days, your Inspector will reach out to the property directly to reschedule, if needed.

We will send additional updates as needed. Questions, property updates and requests should be emailed to: compliance@dca.ga.gov.

For questions or concerns, please contact DCA Portfolio Management at 404-679-4940.

The Georgia Department of Community Affairs is committed to providing all persons with equal access to its services, programs, activities, education and employment regardless of race, color, national origin, religion, sex, familial status, or disability.

For reasonable accommodations or alternate format information please contact compliance@dca.ga.gov
